PROFESSIONAL PROFILE

Digital marketing and creative professional with 4 years of experience bringing together performance marketing, brand strategy, creative direction, and visual storytelling. Experienced in paid media, content planning, fashion and lifestyle creative, influencer coordination, and production workflows - connecting campaign ideas with audience needs and business objectives from brief through execution and review.

CORE EXPERTISE

Performance Marketing & Acquisition | Fashion & Lifestyle Creative Direction | Brand Strategy & Content | Campaign Production & DOP | SEO & Social Media | Analytics & Optimization

PROFESSIONAL EXPERIENCE

Digital Marketing Manager
JAN 2025 - 2026

Al Rayyan Restaurant Management | Doha, Qatar

- Managed digital marketing across 8 restaurant brands, spanning quick-service dining through fine dining.
- Planned platform-specific content for Instagram, Talabat, Snoonu, and Rafeeq, supporting launches, festivals, and seasonal promotions.
- Managed Meta Ads campaigns to strengthen online visibility and reviewed creative assets for alignment with each brand's visual identity.
- Coordinated menu and food shoots with photographers and kitchen teams; planned content calendars and influencer/blogger collaborations.

Digital Marketing Manager & Team Lead | Creative Director
2023 - 2025

CntrlM | Kerala, India

- Executed full-funnel campaigns across Meta Ads and Google Ads, optimizing audience targeting, creative, and performance against campaign objectives.
- Led creative direction for fashion-brand projects, aligning visual concepts, brand identity, and campaign execution with brand positioning and target audiences.
- Developed campaign concepts, mood boards, visual references, and social-first content for fashion campaigns, social media, and brand communications.
- Collaborated with photographers, videographers, designers, models, and other creative partners to bring campaign ideas from brief to production.
- Guided visual storytelling, styling direction, content selection, and creative consistency across digital platforms and advertising assets.
- Managed client discussions, influencer and celebrity collaborations, performance reviews, and data-informed creative and media improvements.

FREELANCE CREATIVE WORK

Creative Direction & Content Production
FREELANCE

SALT | Selected project

- Developed brand-aligned creative concepts and visual references to guide social-first content and campaign execution.
- Supported creative planning and production coordination from initial brief through content review and final asset delivery.
- Kept visual storytelling, product presentation, and digital content aligned with brand identity and marketing objectives.

ADDITIONAL EXPERIENCE

Social Media Marketer
2022 - 2023

Bluepin Digital | Kochi, Kerala, India

- Planned brand-awareness campaigns and regional marketing strategies for brands and franchise growth.
- Produced video content and digital assets for web and social platforms to support engagement, visibility, and promotions.
- Managed Meta and Google Ads targeting GCC audiences and coordinated platform-specific content.

Director of Photography (DOP)
2021 - 2022

Lustro | Creative production | Instagram

- Directed camera work, lighting, framing, and visual treatment to deliver a consistent cinematic look.
- Coordinated shoot schedules and on-set execution with clients and production teams.
- Reviewed post-production, including edits and colour grading, through final asset delivery.

WHAT I BRING

Performance Marketing & Customer Acquisition - Meta Ads and Google Ads planning, audience targeting, creative testing, lead generation, conversion tracking, and campaign efficiency.

Creative Direction & Visual Storytelling - Campaign concepts, visual references, shoot direction, production review, and consistent brand presentation across digital channels.

Fashion & Lifestyle Brand Marketing - Brand-aligned content, product storytelling, campaign planning, and social-first communication shaped around audience interests.

Brand Strategy & Content Development - Content plans, brand messaging, audience opportunities, and platform-specific creative strategies for awareness and engagement.

Integrated Marketing & Creative Production - Coordination across strategy, advertising, content production, and creative teams from briefing through delivery and review.

Data-Driven Optimization - Campaign reporting, audience insights, and performance signals to assess creative effectiveness and inform marketing decisions.
